

Angel Tree Program

**Delta Psi Christmas Project
December 1, 2015**

Delta Psi is proud to continue our support a longstanding annual tradition, of the Salvation Army Angel Tree Program. Through this program, we bring Christmas to someone less fortunate.

This year, we spread the holiday joy across metro Atlanta by filling stocking for two children and one elderly adult with popular stocking stuffers appropriate for the age and gender.

This Christmas Holiday opportunity was provided by Georgia Transmission Corporation and Sonda Bradfield, Delta Psi President. Thank You Delta Psi Sorors for your support to make the Christmas holiday brighter for members of our community.
