COLOR ME CONFIDENT YOUTH EMPOWERMENT SUMMIT**

Healing In His Wings, Inc. (CEO Beverly Roseberry) is based on the belief that we are all three part beings. We have a mind, a body, and a spirit. To be “well”, means that there is balance in all areas. If one part of our being is out of balance, then we are not well. HIHW goal is to provide the wisdom, insight and tools to be or remain “well”.

Delta Psi Chapter of Georgia partnered with HIHW during the “Color Me Confident Youth Empowerment Summit” held at the Andrew & Walter Young Family YMCA, 2220 Campbellton Road, Atlanta, GA on 9/27/14. Sorors volunteered with Registration and Presenter’s Assistance. During the Summit, there were classes for the youth as well as adults with Real Talk Panel Discussion; Fitness & Nutrition; Relationship Skill Building and Life Issues.
