THANKSGIVING PROJECT – NOVEMBER 20, 2014  
CARRIE STEELE-PITTS, INC.

This year marks the 126<sup>th</sup> year that Carrie Steele-Pitts Home has been providing a Home for the most vulnerable children in our community. Children who are survivors of unthinkable abuse, neglect and abandonment have found peace and healing while living at CPS Home. As one of the oldest homes for children in the USA, CSP Home is a safe, warm place for youth who are already world weary.

Delta Psi Chapter of Georgia partnered with Carrie Steel-Pitts Home to help them be a place for children to heal, grow, learn and dream. Sorors volunteered to serve the Annual Thanksgiving Dinner to approximately 50 guests. CSP youth residents conducted a wonderful program. CSP resident cook, Rena (front row – left).
