

## Thanksgiving Volunteer Project Report

December 9, 2017

On Thursday, November 16, 2017, the Delta Psi Chapter volunteered at the Carrie-Steele Pitts Home (CSPH) Annual Thanksgiving Dinner by serving a holiday meal to the children, staff, and guests of the facility. Over 120 people were served during the event. There was a total of ten Sorors that assisted with setup, serving, and cleanup and representatives from NCNW also assisted. Thanks to Delta Psi for your time and support of CSPH.
